

Property & Facilities Management Surveyor

Eric Wright FM

The Eric Wright Group is a major regional construction company and developer able to offer clients the widest possible choice of options from design through development, construction and facilities management.

Eric Wright FM manages an investment portfolio which includes a number of new build projects recently completed by our development company Maple Grove Developments. In addition, through the Group's Private Finance Initiative (PFI) we provide a complete Facilities Management service to our Education and Healthcare partners.

The Role

Reporting to the Group Property Manager, you will be involved in all aspects of estates management, maintenance and facilities management. Responsibilities

will be wide and varied and will allow you to use your initiative and take ownership of the day to day issues and requirements of our tenants and clients.

The Person

A surveyor with a relevant professional qualification and experience in property management gained within a practice or client side environment in a hands-on capacity

We offer the successful candidate an attractive salary and benefits package, together with the opportunity to use our in-house leisure and nursery facilities.

To apply, please email, in confidence, your CV and salary details to our retained consultants at recruit@spencelooker.co.uk or call for a confidential discussion.
